

Notes - Draft budget 2024-2025 – created December 2023

03 December 2023

OVERVIEW

The budget for the financial year April 2024 to March 2025 needs to be approved at the December Council meeting to enable the precept to be agreed by full Council in time for the Clerk to submit the precept request to WODC.

The draft budget will be discussed at the October meeting.

The budget document shows the actual expenditure for the year 2022-23, the agreed budget for the current year, the actual expenditure for the current year to September 2023, the anticipated expenditure to the end of the financial year, and the proposed budget for the next financial year.
